Interconexión Eléctrica S.A. E.S.P. (ISA) informs that, at an extraordinary session held today, its Board of Directors resolved that:

1. Jorge Andrés Carrillo Cardoso will cease to perform, effective immediately, his duties as President and Legal Representative of the Company.
2. By majority vote, it was decided to temporarily suspend his employment contract until the ruling issued by the Fifth Section of the Council of State, which declared the nullity of his appointment, becomes final.
3. Once the decision of the Council of State becomes final, his employment contract will be terminated.
4. Unanimously, Gabriel Jaime Melguizo Posada, Vice President of the Energy Transmission Business, was appointed as Acting President, until a permanent President is appointed.

ISA reiterates its respect for the decisions adopted by judicial authorities and reaffirms that its operations will continue to be carried out normally, ensuring reliable service delivery and the fulfillment of commitments to its stakeholders.
