Interconexión Eléctrica S.A. E.S.P. (ISA) informs that Jhonatan Villada Palacio, who had been serving as Corporate Procurement Director, will work at the company until today, March 6.

While the selection and hiring process for this position is carried out, Carlos Augusto Quintero Monsalve will assume the role on an interim basis. He has been with the company for more than 13 years and currently serves as Procurement Categories Coordinator. Carlos has previously served as Interim Procurement Director, as well as analyst and specialist in the same area, and as Acting Procurement Deputy Manager at ISA Energía in Peru.

Carlos holds a degree in Production Engineering from EAFIT University and a specialization in Management for Engineers from UPB. He has more than 25 years of professional experience and has worked at companies such as Papelsa and Prebel
