### **ISA announces the appointment of Ana María Mora Luna as Acting Vice President of Corporate Strategy**

Interconexión Eléctrica S.A. E.S.P. (ISA) announces that Ana María Mora Luna will assume the role of Acting Vice President of Corporate Strategy starting May 9, 2026. This appointment follows the designation of Olga Patricia Castaño as Acting President of ISA on May 4.

Ana María had been serving temporarily since January 2026 as Transformation Leader at Hi (ISA's Digital Services Hub). Accordingly, her employment contract with ISA is resumed to assume this position.

Ana María has more than 20 years of experience in the definition and implementation of corporate strategies, investment analysis, and transformation processes across sectors such as electric energy, road concessions, and telecommunications.

She holds a degree in Administrative Engineering from Universidad Nacional de Colombia, a Master's degree in Operations Research from the University of Bergen (Norway), and an MBA from City University of London (United Kingdom). We wish Ana María the very best in this new challenge and thank her for her commitment to the organization..
