ISA announces the appointment of Gustavo Cardona Gómez as Director of Accounting and Tax Planning

Interconexión Eléctrica S.A. E.S.P. (ISA) announces that, effective June 1, 2026, Gustavo Cardona Gómez will assume the role of Director of Accounting and Tax Planning, a position previously held by John Bayron Arango Vargas, who will begin his retirement period.

Gustavo is a certified public accountant, specialized in Finance, and holds an MBA from EAFIT Business School. He brings 25 years of professional experience, including 21 years at ISA and its affiliated companies, where he has held various positions in financial and planning areas. These roles include work in cost management, budgeting, corporate finance, financial planning, and evaluation. Over the past four years, he served as Finance Manager at ISA Energía Chile, leading the company's financial management.

We wish Gustavo the best energy in his new challenges. Likewise, we thank John Bayron for his dedication and professionalism. He worked at ISA for nearly 17 years and stood out for his commitment, leadership, and valuable contributions to the business.
