RELEVANT INFORMATION

ISA Reports on the Closing of ISA Energia Brasil's Share Offering

Interconexión Eléctrica S.A. E.S.P. (ISA) informs the market, as a follow-up to the relevant information disclosed on July 15, 2026, that ISA Energia Brasil S.A., an ISA company engaged in the electricity transmission business in Brazil, announced yesterday the closing of its public offering of new preferred shares, conducted under the automatic registration regime before the Comissão de Valores Mobiliários (CVM) and directed exclusively to existing shareholders and professional investors.

The Board of Directors of ISA Energia Brasil S.A. approved a share price of BRL 27.00 following the completion of the bookbuilding process, as well as an increase in the Company's share capital of BRL 1,199,999,988 through the issuance of 44,444,444 preferred shares. This decision is subject to approval of the new authorized capital limit by the General Shareholders' Meeting of ISA Energia Brasil S.A., scheduled for July 24.

In addition, following the completion of the bookbuilding process, ISA Capital do Brasil S.A., a company controlled by ISA and the controlling shareholder of ISA Energia Brasil, was not allocated any shares.

Settlement of the Offering is expected to take place on July 28, 2026, after the completion of procedures customary for this type of transaction. Once concluded, the relevant information will be disclosed to the market
